

We have made several changes to the structure of classes, scheduling, faculty and year-end performances in order to improve the quality and standards of the Academy and to provide the best value possible for your investment in your student's dance education. The following summarizes the major changes with more details to be found in the Academy Handbook. Please read carefully and feel free to ask questions of staff regarding these changes.

CURRICULUM TRACK

This track is a year-long training curriculum for students who are interested in a dance education that is on par with national training standards. Starting at age eight (8), students will have the ability to begin training on a serious level and will work their way through the program based on benchmarks set for skill, technique and execution.

CHOICE TRACK

This is a flexible approach using 7-week periods of a continuing program that allows for students to take ballet and other discipline classes recreationally without a year-long obligation. The classes are structured the same way as the Curriculum Track classes. If parents decide, they may enroll their student for the entire year in the Choice Track and be eligible for payment options.

PRE-BALLET PROGRAM

All students under the age of eight (8), are eligible for the Pre-Ballet program which operates under the Choice Track. If parents decide, they may enroll their student for the entire year and be eligible for payment options.

YEAR-END PERFORMANCES

Curriculum Track students will be selected by March 20th to perform at the Year-End Academy Concerts. There is a production fee of \$50 to participate. Students must make a commitment to the rehearsal schedule that is separate from the regular class schedule. Production fee payments must be received by March 27th. Two tickets are included in the production fee, other tickets must be purchased. We will not require costumes to be purchased by the student as costumes will be provided by Ballet Idaho.

Choice Track students in Ballet 1, 2, 3 and 4 may be selected to participate in the Year-end Academy Concert and must be enrolled before February 22nd. Students must also commit to the extra rehearsal schedule and the \$50 production fee. We will not require costumes to be purchased by the student as costumes are provided by Ballet Idaho.

Pre-ballet Program students must be enrolled for classes by February 22nd to participate in a year-end performance. There will be a production/costume fee of \$65. Students may keep their costumes following the performance. Rehearsals for this performance are part of the regularly scheduled classes toward the end of the academic year.

ATTENDANCE:

Regular attendance is expected of all students. All students must present their class card for check-in at the front desk to be counted present. There are no make-up classes or refunds given for classes missed.

PAYMENTS:

All **Choice Track** students must pay in full for each period by the first class attended. Students have two weeks to withdraw from a class with a full refund for the remainder of the unattended classes.

All **Curriculum Track** students have the option to pay through a monthly payment plan with a credit card or Electronic Funds Transfer set-up. Returned payments and late payments will result in a \$25 late fee. Late payments will result in the student's suspension from class until all payments are current.

WITHDRAWALS/REFUNDS

A request for withdrawal must be delivered to Ballet Idaho's Business Manager, Kim Wegener, by mail or email. Refunds will not be available after TWO weeks from enrollment. In the event of an individual circumstance involving prolonged illness, injury or relocation, Ballet Idaho may consider a refund on a case-by-case basis. You may be asked to provide written verification from a physician or proof of move.

**JOIN US AT THE THEATRE !!
ACADEMY PARENT GROUP SALES**

Ballet Idaho is committed to educating and presenting ballet to Idaho's growing community. Ballet Idaho's parent guild will organize a group sales program to help accommodate a lower price bracket. For regular season shows, Section B tickets will be discounted for groups of 20 people or more. Orders must be placed no later than two weeks before a show. *The Nutcracker* will be discounted at \$5 off per ticket for all sections with a group purchase of 20 tickets or more.

POST-DATED CHECK PROGRAM – for entire academic year students only

Whether in the Curriculum Track or the Choice Track, students committed to the entire academic year – SEPT through MAY – have the payment option of issuing post-dated checks for the year. This breaks up payments into 7 monthly increments and eliminates credit card charge fees. Your first payment* will include the registration fee (\$25) and the first of the 7 payments. The remainder will be handled through the post-dated check attached to the form
