*A new, streamlined parking process went into effect July 1, 2011 for events at the Morrison Center and BSU Special Events Center in an effort to improve customer satisfaction, expedite safe traffic flow and assist in timely arrivals for performances. The \$5 per car fee upon entry parking will be discontinued. Instead, the per ticket service fee will be increased by \$1.50 at the point of ticket purchase. The service fee benefits all ticket holders by providing safe, convenient, well-maintained and accessible entry to the venue, as well as the opportunity to park.
